WATER-SUPPLY DIVISION.

Abstract Notification.

The attention of the public is invited to Notice, dated the 29th August 1918, calling for tenders for the suply of 4″ and 5″ C. I. pipes required for use of the Water-Supply Division, until the 23rd September 1918, published on page 782, Part II of the *Mysore Gazette.*

Notification dated the 26th August 1918.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water-Supply Division, up to 16th Septemper 1918, for the supply of 32 plain zinc sheets of 8′×4′× 1/16″ thick and 24 gauge. An approximate estimate of quantities is given above. These quantities are not guaranteed. The work should be completed within a week from the date of the order placed with the successful competitor.

2. The sample may be seen at the Executive Engineer's Office on office days, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the items specified will be executed. The rate tendered should include cost of delivery F. O. R. Coromandal Railway Station.

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of rupees fifty in cash or currency notes as earnest money, and be superscribed "Tenders for the supply of zinc sheets to Bethamangala Pumping Station," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond ; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of any tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
